Appeal 2009-0845
Application 10/528,731
Technology Center 2600

Mailed: February 26, 2009

Before DALE M. SHAW, *Chief Appeals Administrator*

ORDER REMANDING APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on August 28, 2008. A Docketing Notice was mailed and Appeal No 2009-0845 was assigned on October 27, 2008. A review of the application has revealed that the application was not ready for an appeal. Accordingly, the application is herewith being remanded to the Examiner. The matter requiring attention is identified below.

Claims 12-22 of the instant application are set forth as method claims that may not fall with one of the four statutory categories of invention recited in 35 U.S.C. § 101. On May 15, 2008, the Deputy Commissioner for Patent Examining Policy, John J. Love, issued a memorandum entitled “Clarification of “Processes” under 35 U.S.C. § 101.” This memorandum is further used in conjunction with the Interim Guidelines and the Manual of Patent Examining Procedure § 2106.IV.B, when determining whether a claimed invention falls within a statutory category of invention. *See In re Bilski*, 545 F.3d 943 (Fed. Cir. 2008)(en banc). Thus, there is a question as to whether claims 12-22 meet the requirements of being a patent eligible process under 35 U.S.C. § 101.

Accordingly, it is

ORDERED that the application is remanded to the Examiner to determine if claims 12-22 meet the requirements of being a patent eligible process under 35 U.S.C. § 101.

If there are any questions pertaining to this order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
